## Frequently Asked Questions

AIRE will add to this document as new questions arise.

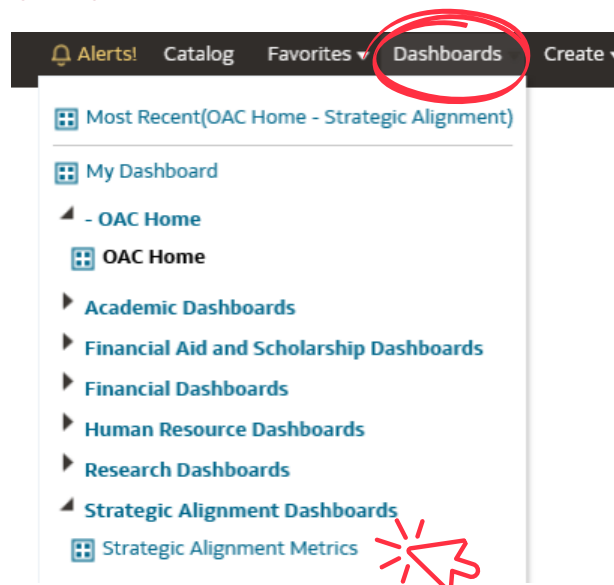

### DASHBOARD

**Where is the Strategic Alignment Metrics Dashboard and how do I access it?** The dashboard is in [OAC](#) and can be accessed by either navigating to the Strategic Alignment tab at the top of the page or by using the dashboard drop down in the upper left-hand corner of the page.

#### OPTION 1

#### OPTION 2

**Who has access to the dashboard?** Current Deans, Directors, Chairs, and Budget Officers have been given access to the dashboard. Please note that this permission list is maintained manually so when new individuals are hired into these types of positions access will need to be requested.

**How do others get access to the dashboard?** To request access for other individuals please send an email [aire-help@ku.edu](mailto:aire-help@ku.edu) and include a brief explanation of how they will use the information in this dashboard.

**How do I filter the dashboard for my area?** There is a prompt on the home page of the dashboard that allows users to filter the data to their specific area. We suggest selecting Primary ARSP/School first as this will narrow down the options in the subsequent prompts. Additionally, there are prompts on each page of the dashboard that can be used to filter by area as well as segment the data in various ways. The reset button can be used to reset the filter criteria.
